I, Kenneth E. Reid II,

Senior Product Engineer

(company title, e.g. vice president, plant manager, chief engineer) (must be in a position of authority)

of Parker Hannifin Corp., Instrumentation Products Division

(name of manufacturer)

located at 2651 Alabama Highway 21 North, Jacksonville, AL 36265-9681

(plant address)

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act (check one)

comply with the requirements of _____ which specifies the dimensions, (title of recognized North American Standard)

materials of construction, pressure/temperature ratings and identification marking of the fittings, or

are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with MSS-SP-105 as supported by the attached data which identifies the dimensions, materials of construction, pressure/temperature ratings and the basis for such ratings, and the marking of the fittings for identification.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified by the following authority, Det Norske Veritas as being suitable for the manufacture of these fittings to the stated standard. The fittings covered by this declaration, for which I seek registration, are PV Series Needle Valves

In support of this application, the following information, calculations and/or test data are attached:

PV Series Needle Valves Pressure Integrity Report and catalogue 4110-PV
